Registration Form

Dear prospective Parents,

Thank you for enquiring about a place for your child at Little Cedars Day Nursery.
Please complete and return the form below to register your child.

To register a child, we require a £35 **non-refundable** fee to put your child on our waiting list (**we do not require registration fee payment for the 2YO funded placement**). This, however, will not guarantee a place at the Nursery on any given date. The Management Team will keep you informed about the availability of places.
